We don't just build; we create spaces

Since 1966, our construction division has delivered inspirational and intuitive spaces for some of the world's biggest brands. We've presented bespoke spaces and won awards through our unique service offerings in construction, consulting, fitout, heritage and asset refurbishments, and modular construction.

During this time we've worked across a wide range of sectors including office, hospitality, health and aged care, retail, residential, and education.

Our story

Tony Schiavello, with the help of his younger brother Joe, founded Schiavello Group in 1966.

Our people

Our people are committed to growing lifelong relationships with our clients.

Our capabilities

Part of an integrated business, we're a construction partner with a difference.

QSE

At the start of every project, we ensure all aspects of safety, quality and sustainability are considered.

Our passion is your success

Our clients are central to everything we do. We have built a reputation for providing a bespoke range of product and service solutions for every client, tailored to suit their needs.

We thrive on technical, complex and detailed projects across a variety of sectors – applying our 'anything is possible' attitude to everything we do. Our construction services include design management, commercial fitout, construction, modular construction, Australian manufacturing, asset refurbishment, and heritage restoration.

Through a culture of learning and entrepreneurship, we continuously challenge our thinking, and work collaboratively with our clients, project managers and designers to deliver the best possible outcome.

Client focused

Our clients are at the heart of everything we do with 90% of repeat work.

More than construction

Gain access to our consulting, manufacturing, furniture, and design offerings.

World's best practice

With ISO and QPSC accreditations, we uphold the highest global system standards.

Meet the Team Behind the Screens

A Results-Driven Web Design & SEO Team That Gets You Noticed

WELCOME TO WORKERS HUBERTUS

Located in Luddenham, Workers Hubertus has relaxing views that are sure to take your breath away. Come experience our famous German Hub Dining food to truly feed your hunger.

WORKERS HUBERTUS

Our foundation members have long been considered pioneers given their foresight to establish Workers Blacktown and make wise investments to ensure our long-term longevity. The most recent acquisition was the purchase of Hubertus Country Club at the end of 2014. Rich in German history it has been brought back to life.

It now trades as the Workers Hubertus, in the heart of rural Luddenham. Plenty of land, club house complete with dining facilities, old school kids area, functions rooms, stage, outdoor marquee, pond, indoor and outdoor shooting range plus lots of potential. The biggest event remains the Oktoberfest celebration held on the first weekend in October when we kick up the German festivities like only we know how!

The Club has a bright future ahead, thanks to the close proximity to the new Western Sydney Aerotropolis, due to open in 2025. Watch this space!
